sparkling drops of dew create a pond in  
 my eye. Every drop bubbles with diamonds  
 of thoughts. my eyelid closes to blacken  
 the tear slips from my eye and dance  
 down my cheek. my fast twists with  
 the sun the sun slips  
 The tear curves by my lips and  
 falls through the air parting in  
 shimmering light a cross the  
 swirling. Gravity of life  
 it approaches the pond  
 the water splash light  
 cross the water top as  
 Just a tear.
